**On the Way** works on a three year syllabus. It covers the main Bible stories from Genesis to the Acts of the Apostles. All the Bible stories are taught as truth and not myth.

Each year the birth of Jesus is taught at Christmas, and the death and resurrection of Jesus at Easter. Between Christmas and Easter the syllabus deals with aspects of Jesus' life and teaching. After Easter there is a short series on the Early Church. The rest of the year is spent looking at the Old Testament stories, covering broad sweeps of Old Testament history. In this way leaders and children gain an orderly and cohesive view of God's dealings with his people throughout the Old and New Testaments.

The lessons are grouped in series, each of which is introduced by a series overview stating the aims of the series, the lesson aim for each week and an appropriate memory verse.

Every lesson, in addition to a lesson aim, has Bible study notes to enable the teacher to understand the passage, suggestions for visual aids and an activity for the children to take home. One activity is suitable for 3-5 year olds, one for 5-7 year olds and one for 7-9s.
