BOOK ANNOUNCEMENT

Focus on the Bible series goes from strength to strength

John

by William F. Cook

New Testament scholar William F. Cook brings us the latest in the popular Focus on the Bible series. In a lucid and engaging style, he leads us through the Gospel of John.

John's Gospel is the mature reflections of the last living apostle. John the apostle wrote this book approximately fifty-five years after the resurrection of Jesus. During those years he had reflected on the words and deeds of Jesus and the result is that the pages of the Gospel contain the seasoned thinking of one of Jesus' closest friends.

“... Bill Cook is a wonderful New Testament scholar and pastor. This commentary reflects well both his commitment to excellence in scholarship and his love for the church. This book will serve extremely well those who preach and teach the Word of God chapter by chapter, verse by verse and word by word.”

Daniel L. Akin, President, Southeastern Baptist Theological Seminary, Wake Forest, North Carolina
