# ABOUT

## *The Council on Biblical Manhood & Womanhood*

### Mission

The mission of The Council on Biblical Manhood and Womanhood is to set forth the teachings of the Bible about the complementary differences between men and women, created equally in the image of God, because these teachings are essential for obedience to Scripture and for the health of the family and the church.

### Vision

The vision of the Council on Biblical Manhood and Womanhood is to see the vast majority of evangelical homes, churches, academic institutions, and other ministries adopt the principles of the Danvers Statement as a part of their personal convictions and doctrinal confessions and apply them in consistent, heart-felt practice.
