

# Joy

...comes from God and is  
part of the fruit of the  
spirit.

What is Joy?

Grown ups  
can use lots  
of different  
words for the  
same thing.

Sometimes they use

But they are different.

Joy is something we can not loose.  
We are HAPPY when we get  
that balloon we were  
asking for.

When it's  
gone, so is  
the happiness

Joy comes  
from God and  
He puts it  
deep inside  
us.

He wants us  
to take care  
of it and  
help it grow.

God talks about Joy in the Bible a lot because He wants us to remember its there and help it grow and to use it.

Joy comes when you know God made the whole world and wants to share it with you!
