

# Ephesians 2:8-10

Have you ever flown a kite? You hold the string and the wind blows the colourful kite up, up into the air. But...if you get too close to the trees, lookout! When your kite gets stuck in the trees it could get wrecked and that means no more flying.

But...what if someone with a long ladder comes along and kindly and carefully untangles the kite, rolls up the string and gives it all back to you, safe and sound? Well, you could find a better place – away from the trees – to fly your kite again. Christians are saved from their sins – like that kite was untangled from the tree. Sin wrecks lives and we all need to be saved. Jesus carefully and kindly frees us from being wrecked forever by sin when we come to Him in faith.

But that's not the end of the story. The kite was freed to fly again, wasn't it? Only Jesus can save us from sin. Only Jesus can set us free to love and serve God and other people, just as God planned.

Let's Pray

Dear God, it's so amazing that you save sinners! You are so full of goodness and mercy! I was helpless. I only deserved your holy anger, yet you saved me by the gift of faith in the Lord Jesus. Help me to use my freedom from sin to do the good things you have prepared for me to do.
