

Incline your ear and
hear the words of
the wise, and apply
your heart to my
knowledge.
Proverbs 22:17

**A man's heart plans
his way, but the LORD
directs his steps.
Proverbs 16:9**

**Train up a child in the way he
should go, and when he is old
he will not depart from it.
Proverbs 22:6**

We should say thank you to God for the teaching and training we get from mother, father, teachers and others. The best teaching will help us to understand what Jesus has done for us.

PRAYER

**Lord, please help me to remember
the teaching I have had about you
and your Word. I pray that it will
guide my life always. Amen.**
